MARCH 2018

National Do-Not-Call Registry

The National Do-Not-Call Registry has been established to offer you a choice about receiving telemarketing calls at home. Registering will stop most telemarketing calls but it will not stop calls from certain non-profit and political organizations and calls from organizations with which you have established a business relationship.

Consumers can register their residential telephone numbers, including wireless numbers, on the National Do-Not-Call Registry by telephone or by Internet at no cost. The number will be on the Do-Not-Call list the day after registration; however, telemarketers have up to 31 days to remove the number from

their call lists. You may register up to three numbers at one time if registering on the Internet. If registering via telephone, you can register only one number at a time and you must call from the telephone number you are registering. A number can be removed from the Do-Not-Call Registry at any time.

To register or remove a number from the Do-Not-Call Registry, call 1.888.382.1222 (TTY: 1.866.290.4236) or register on the Internet at www.donotcall.gov.

TV Everywhere

Now is a great time to check out TV Everywhere! There are many networks available so you can watch programming when you want.

With TV Everywhere you can watch TV programming on internet ready devices. Whether it's your smartphone, tablet, desktop or laptop you can watch TV programming online as long as you have a cable package with that network included from Spencer Municipal Utilities.

If you haven't signed up yet and need help signing up, our customer service center can help you out. Once you have registered you'll have a username and password to use for watching programming as well as you'll be able to add up to three additional accounts under the main account holder.

For questions on the free online programming available with qualifying service plans, contact us at 580.5800. For more information on the service visit watchtveverywhere.com.

Baseball Coverage

With the traditional Opening Day for Major League Baseball (MLB) coming up earlier than before, we want to let baseball fans know what to expect for coverage this season.

As in years past, Iowa falls in a blackout zone as a result of MLB rules that the following teams will be blacked out: Chicago White Sox, St. Louis Cardinals, Minnesota Twins, Chicago Cubs, Milwaukee Brewers and Kansas City Royals.

There are several channels in the SMU cable lineup that will have some baseball coverage during the upcoming season including FOX Sports North and MLB Network including some blackout exceptions.

Another way to get baseball coverage is online through MLB.TV which provides LIVE Streaming of many games (however, blackouts can still apply) that you can use with an Internet ready device. For more information on this option visit mlb.com.
